

# Innovate and Create with Technology

## Thinkfinity

Lesson plans, games, videos and teacher collaboration.

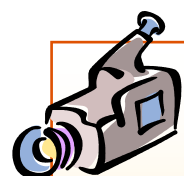

Dazzle your class with this amazing infographic that puts everything in perspective.

## Graph words

Enter a word into this tool and it gives you a graphic thesaurus. Your word is presented as part of a web of synonyms. Hover over words for their meanings and click a word to make it the centre of a new web.

You can save the images for display or to refer to later.

## Teaching Channel

Just like You Tube, but this site shares strategies and ideas from other teachers.

Its organised by grade and topic so you shouldn't have any trouble finding what you need.

[Previous issues here](#)

## How to do research

Another amazing infographic for kids! This one has a comprehensive explanation of the research process with links to every aspect.

## iPiccy

iPiccy is an online photo editing tool.

Upload a photo and apply all kinds of cool effects and frames.

Nice and easy for kids to use.

## Jamendo

A library of royalty free music that your kids can download and insert into their presentations and slide shows

## Hello Slide

Upload photos or scanned artwork, type in some text and Hello Slide reads it for you.

This would be great to teach kids about grammar and punctuation as they can hear their writing read back.

## 103 interesting ways to use an iPad in the classroom

This is an online presentation with 103 tips, hints and apps for iPads at school.

## Samurai Yetis and Ninja Werewolves

The experiences of a year 6 teacher in embedding gaming principles into his teaching.

Gamification is becoming more common across educational and corporate sectors. It is received especially well in schools and is highly engaging.

## Kinder Site

This site pulls together lots of resources for preschool to yr2 in the one place- games, stories, songs and music from many different websites.

You'll need to run them through the filter before you let the kids log in and go on them, to make sure each link is unblocked. Web filter checking is in the My Applications tab of the portal.
